

## The Dingo Depot difference

Builders, when you **rent a Dingo** with Dingo Depot you get **all** the attachments **and** hand tools you need for the job. Plus we:

- Deliver and pick up — saving you or your labourer upwards of an hour a day
- Provide on-site coaching for your people — making them more efficient more quickly
- Are there on the phone when you need us!

Or you can **use our experts**

- Reliable and super efficient, our people get the job done fast!

**Check out our website for heaps more information, advice and photos...**

## Builders- Had a hard day? We can make tomorrow easier!

## Dingo Depot does more...

So you reckon you know what a Dingo can do? Think again... we offer solutions for builders that you never dreamed of. Our Dingos can:

- Drill 760mm soak pits
- Mix &/or move concrete into hard to get to places—see below
- Grind stumps out of the way
- Trench up to 300mm in width
- Work in the mud—we have tracks!

Plus we have a **cable detector** to locate pipes and wires!

**Call us...**  
**5981 1456**  
**0428 148 343**

**Drill Pack** includes Dingo, 4-in-1 bucket, drill head and 1 auger, post hole mate (for increasing down pressure), plus selected hand tools and safety gear.

**Trench Packs, Dirt Packs and Wood Packs** also available!!!

## Builders offer!

Rent our "Drill Pack" and get the cement mixer attachment for free!
