“DIY with a Dingo”

Clarke, can you help me outside in the garden this weekend?

Lois, you're better off getting a Dingo from Dingo Depot, – they can do just about anything!

Plus! The guys at Dingo Depot bring it to your place and show you how to use it!

DINGO DEPOT™

Is this you?

You look out the kitchen window—all you see is *!#*+!# where a garden should be!

Don't worry, we can help you.

Our Dingo machines can do just about every heavy job outside including:

- Ground levelling & shaping
- Moving & spreading soil / mulch
- Rotary hoeing
- Drilling post holes for retaining walls & deckings
- Trenching for pipes & cables
- Cutting pathways
- Laying watering pipes for the garden.
- Mixing and moving concrete

Dig holes for fence posts or retaining walls—save your back!

Unbelievable power!

Huge range of attachments!

Option 1: Hire a Dingo

Why give the fun to someone else? There's huge satisfaction to be gained from doing a job yourself. With a Dingo you'll have a great time and it will be easier on your back. All our customers think that driving a Dingo is a real hoot! Hire from us and you get all this:

- Free hire of hand tools that will make your day a whole lot easier. (See our value packs—over)
- Selected safety gear such as ear plugs & witches hats for the day.
- On-site coaching and phone support throughout the day from Dingo experts.
- Advice on how to tackle the job.
- Machine damage and machine loss insurance.
- Free local delivery and pick up.

Get through narrow spaces into back yards.

Option 2: Let us do it for you!

If you need to get the job done quickly and don't want to do it yourself, our operators can help.

Super fast and absolutely reliable they get the job done in a flash.

Why choose Dingo Depot?

Fun!

We help you do it yourself—now how satisfying is that?

Expertise

We have the machine and job knowledge that makes the difference.

We listen

Outstanding customer service is our No.1 aim.

Insurance

We've got you covered for both machine damage and machine loss insurance.

We do what we say

We know this sounds silly but just think about how many times you've been let down by other trades people.

Check out our website for heaps more information, advice & photos
