

# Attention Electricians!

## New Hire Service!

Have a Dingo Delivered to your worksite for you to use. Instead of having to go to-and-from hire places you'll save in excess of an hour a day! (Price includes on-site coaching from experienced Dingo operators, machine insurance, hand tools and pick up).

## Or use expert contractors to do the job!

Trained in all the attachments and super reliable – our people get the job done fast! We can bring demolition saws, jack hammers and whacker plates so that we can do the whole job!!!

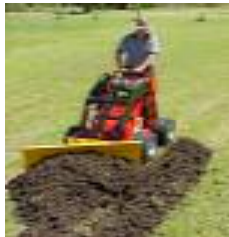

## “Cable Detection Service”

You'll love avoiding the costs of hitting pipes and wires!

“DIY Dingos save your back and your wallet!”

## More & BIGGER attachments!

- **Trench for pipes and cables**  
Up to an enormous 300mm across and 900mm deep!
- **Backfill neatly**  
Using the dozer blade
- **Roll out cables**  
Great for long power feeds
- **Drill holes**  
For tennis court lights `etc
- **Lift appliances**  
Up to 1700mm for easier installation
